# ACTIVITY/REC TIME

- **Smash and heal:** A local Smash room company volunteered to bring a few things (objects that are approved) to smash and each participant will choose what they are relinquishing when entering the smash zone. They have computers and keyboards and printers to smash
- **You Time:** A Barber volunteered to give away two haircuts- I was thinking we can do a raffle where two boys win a hair cut
- **You Time:** A make up artist volunteered to do a light make-up session on two girls- raffle concept applied here as well
- **Potato sack relay race:** This is an activity that calls for teamwork and just plain fun!
- **Paint and Sit:** A local painter has volunteered to instruct a painting to 4-6 kids. This painting will be a cross creatively surrounded by the words 1 Tim 4:12
- **Final Activity-** This will be done at the very end of the the event...when the kids first arrived before going to their seats they would have left their hand prints on a banner with a custom note of their own, before leaving we will reveal the banner with all of their hands surrounding the events name and topic verse and we will close the event with a group photo around banner

# TOPICS DURING SPEAKERS PANEL

- **Bringing in the couple is to show an example of a married woman and man in their faith striving everyday to be the best they can be, they weren't perfect nor did they have always have their life on track and both still are deserving of true love and gods grace. They are being used for those who may feel they are too tarnished and undeserving of love.**
- **Bringing in the woman is to show they testimony of a thief, and recovering addict. She is now the right hand to a CEO. Her story will be to show that your life isn't determined off of your past but how you use God to mold your future.**
